ORIENTAL Auto Parts was established in 2013 to cater to the growing demand of auto spare parts in Qatar. The company was setup with the mission of providing the best service to the customers by supplying quality spare parts at the most competitive price. With a team of Professional, Knowledgeable and Competent Staff, Oriental Auto Parts aims to provide and prompt hassle free services at all times to achieve complete customers satisfaction.

We believe in supplying products at ease to all our esteemed clients with our showroom strategically located in Street Number 29, Al Wakalat Street, Industrial Area.

Having EPC (Electronic Parts Catalogue) installed in our computers enable us to easily identify the customer requirements and provide them with the right parts.

With great support extended to ORIENTAL Auto Parts by its sister concerns Speedline Printing Press, Quick Print Centre, Digital Empire Advertising and Doha Hydraulic Services, the Company guarantees superior support and services to its customers.
